**ENG** Doors used in this catalogue is not suitable for outside weather conditions such as rain and sun

**TR** Bu katalog 25. yılımıza özel RETRO Konseptiyle hazırlanmıştır. Sektöre çeyrek asır boyunca hizmet etmiş olan HASKA ailesi, yönetim kurulunda iki nesli birden barındırmasının avantajını yeni ürünlerine yansıtmıştır. Birinci neslin edindiği tecrübeleri, yeni neslin modern akış açısıyla harmanlayıp, tasarımlarını retro kültürü zenginliğinde sizlere gururla sunar. Konseptimize uygun olması açısından; ürünlerimizin ve hitap ettiğimiz kitlelerin çeşitliliğini ve zenginliğini vurgulamak için, ürün isimleri tüm Avrupa dillerinin çıkış noktası ve kökeni olan Katalanca'dan tercih edilmiştir. İsimlerin, tasarımlarımız ve konseptimizle uyumlu olmasına da ayrıca dikkat edilmiştir. Emeği geçen ve modellerimize ilgi gösteren herkese teşekkür ederiz.

**ENG** This catalogue has been prepared with RETRO concept for specializing our 25th year. HASKA family, served this sector since quarter century, reflected to his new designs for his advantage that he has two different generation on his managing board. Compounding first generation's experiences with new generation's modern perspective, he presents his new designs in wealth of retro to you with a big proud. In order to emphasize variety and wealth of our products and whom we address to, it has been preferred Catalan language, root and starting point of all European languages, for our products' names. It is especially paid attention that chosen names should be in harmony with the designs. Thank you everybody who give big effort and interest to our designs.
